

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re patent of : **Attn: Certificate of Correction Branch**
Isabelle FALLAIS et al. : Attorney Docket No. 2005_2020A
Patent No. 7,423,092 : **Confirmation No. 2861**
Issued September 9, 2008 :

RADIATION-CURABLE
COMPOSITIONS FOR PIGMENTED
INKS

REQUEST FOR CERTIFICATE OF CORRECTION UNDER 37 CFR 1.323

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In accordance with the provisions of 37 CFR 1.323, it is respectfully requested that a Certificate of Correction issue to correct the following:

In the specification:

Column 1, lines 59 and 61, change "met" to --meth--.

In the Claims:

Claim 1, line 5, change "acrylated" to --(meth)acrylated--.

REMARKS

The above amendment corrects obvious typographical errors in the specification.

The error to be corrected in claim 1 is an obvious error caused by the USPTO. This is also clear from the dependent claims, column 1, line 61 and column 4, lines 1-31.

Accordingly, a Certificate of Correction is respectfully requested, and the \$100.00 fee required by 37 CFR 1.20(a) is enclosed. Form PTO-1050 accompanies this request.

Respectfully submitted,

Isabelle FALLAIS et al.
